2 bedroom Apartment in Puerto De Mazarron

Location: Puerto De Mazarron, Murcia

Property Description

Located in the charming Puerto de Mazarrón, this exclusive residential complex offers a selection of 18 properties including apartments and penthouses. Designed for those seeking a coastal lifestyle, it is just 200 meters from the sea, allowing enjoyment of the sea breeze and panoramic views. Additionally, its proximity to the airport, just 34 kilometers away, facilitates access and mobility. Each property is equipped with state-of-the-art technology, including home automation and video intercom, ensuring comfort and security. Climate control is guaranteed with air conditioning, and built-in wardrobes offer efficient storage solutions. This complex is ideal for those who value quality of life by the sea, with options of two or three bedrooms and two bathrooms, adapting to various family needs.OUTDOOR AREASThe exteriors of this residential complex in Puerto de Mazarrón are designed to maximize enjoyment of the natural surroundings. The properties feature spacious terraces, perfect for relaxing outdoors and enjoying the Mediterranean climate. The penthouses offer the additional advantage of a private solarium, ideal for sunbathing in complete privacy. Additionally, some units include a jacuzzi, providing a personal relaxation space. The presence of pergolas adds a touch of elegance and functionality, allowing enjoyment of the terraces year-round. Access to private garages ensures convenience and security for vehicles, and the facilities are prepared for electric car charging, reflecting a commitment to sustainability and innovation.INDOOR AREASThe interiors of the apartments and penthouses in Puerto de Mazarrón are designed with a focus on quality and comfort. Porcelain tile floors add a modern touch and are easy to maintain, while the layout of the properties is designed to optimize space and functionality. With options of two or three bedrooms, each property offers a cozy and practical environment. The bathrooms, all with high-quality finishes, ensure a comfortable and elegant personal space. The integration of home automation systems allows for complete control of the home, from lighting to security, offering a modern and connected living experience. Built-in wardrobes in the bedrooms provide efficient storage, keeping spaces tidy and clutter-free.
