2 bedroom Apartment in San Pedro del Pinatar

Location: San Pedro del Pinatar, Murcia

Property Description

Choose between a ground floor model with front terrace or a 1st floor model with front terrace and large private roof solarium.

Ground floor model: The front door opens into the spacious living area with the dining room to one side. The fully equipped kitchen is next to the sliding doors that let in natural sunlight. To the side is a family bathroom with washbasin, toilet and shower, as well as two generously sized bedrooms, with the master bedroom having an en-suite.

Penthouse model: A staircase takes you to the top floor with a large private tiled terrace and a gateway into the property. As with the ground floor model, a generous lounge/dining room opens onto the oversized kitchen - 2 bedrooms to the side (the master with ensuite). Access to the private rooftop solarium is via the rear of the kitchen.

Our bungalows include LED lighting inside and out, pre-installed air conditioning, a fully equipped kitchen with induction hob, oven, dishwasher, fridge/freezer and a parking space. These new homes feature a walkway between each structure, with access to the communal garden and large swimming pool at the front.
