4 bedroom Villa in Rojales

Location: Rojales, Alicante

Property Description

A residence equipped with the highest qualities of the moment, both in materials and in both exterior and interior decoration. Skyline V offers a residential complex of homes equipped with large windows and a perfect orientation to enjoy the sun that is so characteristic of this area. from the Costa Blanca.

All the residential homes have two floors in which the rooms are distributed, as well as a private pool within the same plot of each of the homes. They also have parking to be able to park household vehicles. Around the pool you will have an open space in the open air, where you can enjoy your rest time. Each single-family home has its own exterior finish in the purest modern and avant-garde style.

A luxury residence with all kinds of details is being built on the Costa Blanca, exactly in Rojales, municipality of Alicante. A natural setting, next to the Segura river where you can find that tranquility and comfort that you are looking for in your day to day. Close to all the surrounding provinces, thanks to its good location next to the main road that connects the other towns and cities.

In Rojales you have a beautiful place around mountains and nature where you will find that peace that you seek so much, away from all the stress of central cities. Like, just a few minutes from the best and most popular beaches in the entire area. You will have the best-known health centers, schools and supermarkets within walking distance, as well as the small local shops that characterize the area. An area that is growing and is giving way to a new generation of housing.
