3 bedroom Villa in Finestrat

Location: Finestrat, Alicante

Property Description

The most spectacular of the four homes built to date by this developer.

Firstly for its location and incredible views of the sea and mountains, and secondly for its architecture, a complex of 11 unique and different homes.

All the houses have 3 bedrooms and 4 bathrooms, a living room and kitchen that you won't want to leave, and several gardens and terraces that you can enjoy all year round.

Finestrat, located in the heart of the Costa Blanca, has unrivalled tourist potential. The combination of sea and mountains, on the one hand, and leisure and tranquillity, on the other, makes this town a special place to live. The unique mountain of Puig Campana, plus ten kilometres of green spaces, mixed with the heavenly beaches that are just a few minutes from the town, conquer all those who visit them. And also, it has the wonderful town of Benidorm just 8 minutes away. A town that offers all the necessary services: restaurants, entertainment, shopping centres, hospitals, markets, and a mix of cultures like few other Spanish towns: El Puig Campana Golf and Benidorm Golf, with spectacular views and not forgetting the Elian International Bilingual School.
