3 bedroom Villa in San Fulgencio

Location: San Fulgencio, Alicante

Property Description

The villas are built on plots of approximately 186m2. They have a constructed area of 127m2 with 3 bedrooms and 2 bathrooms, one of the bathrooms is en-suite to the master bedroom and all bedrooms have fitted wardrobes. The living/dining room has an elegant open plan kitchen with breakfast bar and we raised the ceiling to make this part of the house feel spacious and bright.

They have a rooftop solarium which is topped by a spectacular wooden pergola. It is a great place to enjoy those long summer evenings or even install a jacuzzi.

The villas are built in the beautiful village of San Fulgencio which is less than 9 km from the coastal town of Guardamar, with its long white sandy beaches and elegant harbour with many bars, shops and restaurants lining its waterfront.

Swimming pool optional
