€650,000 / sale

Reference: URBI SEASCAPE VILLAS

3 bedroom Villa in Finestrat

Location: Finestrat, Alicante

Property Description

A private residential development designed to provide the owners of the properties with greater privacy, allowing them to fully enjoy the Mediterranean lifestyle.

Designed to find calm and tranquillity in their homes, the residential is designed to have 70 penthouses with private terraces with 2 and 3 bedrooms and 2 exclusive villas with private swimming pool.

The Resort has an exceptional design with an avant-garde image. Its architecture and contemporary style gives part of the prominence to the staggered terraces, which provide greater luminosity and privacy to the homes, as well as having an outdoor space to enjoy the good weather. In the case of the ground floors, the homes are equipped with a private garden exclusively for their owners. From the homes in the residential complex you will enjoy exceptional views of the vegetation of the area, the Benidorm skyline for unbeatable views and the Mediterranean Sea in the background.

Closed urbanisation equipped with camera circuit for greater security of the clients. It also has a large central area for the entertainment of all residents. The complex is equipped with an indoor and outdoor swimming pool area, adapted for adults and children and with a jacuzzi area, communal toilets and a large beach for sunbathing with a chill-out area, a bio-healthy games area, a children's playground, a pergola area and a canine gymnasium. It also has a gourmet room and coworking spaces with individual teleworking booths. In addition, the development has been equipped with gyms, which have been assigned according to the block where the property is located. The development will have a cardio-protected space, equipped with an external defibrillator for use in the event of a cardiac emergency.

Included in the price:- Armoured main entrance door to the property- Built-in wardrobes- Shower screen with fixed tempered glass panel- AEROTHERMAL system- Duct air conditioning installation- Pre-installation for Airzone system or similar, for independent air-conditioning control per room- Installation of electric underfloor heating in bathrooms- Air extraction system guaranteeing healthiness, comfort and hygiene in the interior.- Electrical appliances including electric oven, ceramic hob, extractor hood, refrigerator, dishwasher and washing machine- Pre-installation for electric vehicle recharging in garage- Individual storage room, as well as bicycle parking areas
