3 bedroom Villa in Finestrat

Location: Finestrat, Alicante

Property Description

Las Bellas Luxury Villas is an exclusive complex of 15 independent villas located in one of the most privileged areas of Finestrat, just a few minutes from Benidorm. A unique enclave offering panoramic views of the Mediterranean Sea and the iconic Benidorm skyline, combining privacy, design and Mediterranean lifestyle at its finest.

Each villa has independent pedestrian and vehicle access, private parking, a 34 m² private swimming pool and a spectacular solarium of over 67 m². The plots exceed 520 m², and the homes offer between 3 and 4 bedrooms, 3 or 4 bathrooms and a spacious basement of over 107 m², with the possibility of total customisation or open-plan layout, according to your preferences.

Designed with contemporary architecture that unfolds across a basement, ground floor, upper floor and solarium, these homes include the option of adding a panoramic interior lift, jacuzzi, outdoor kitchen with barbecue, air conditioning for the swimming pool and designer furniture with high-end appliances.

Each villa has been designed with sustainability and efficiency in mind: they have A energy certification, an aerothermal system, underfloor heating in bathrooms, pre-installation for home automation and a charging point for electric vehicles.

The location is simply exceptional: less than 5 minutes from Cala de Finestrat and with immediate access to essential services such as hospitals, schools, shopping centres, theme parks, as well as efficient connections to the Alicante TRAM, the AVE station and Alicante International Airport.
